## NOTICE TO STUDENTS

### Commencement of the Second Semester for 2019/2020 Academic Year

The University of Buea heartily welcomes you into the Second Semester for 2019/2020, after a successful Easter Break, which followed the publication of the results of your First Semester Examination.

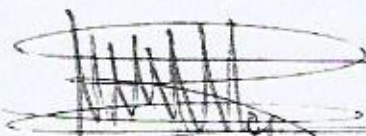

In line with the Vice-Chancellor's Press Release No. 2020/060/UB/REG/HOS/PAR/AA of 27 March 2020, the University in line with measures prescribed by government shall commence this semester with **E-Learning or E-Tutoring**.

You are therefore requested to **urgently** do the following:

- Complete the online registration of your Second Semester courses.
- Check your University email for your timetable for the courses which you have registered online.
- Receive a Manual from your Department which guides you on accessing and navigating the prescribed **E-Learning platform** by your Faculty.
- Students working in their final year research projects should liaise with their Research Supervisors via **Whatsapp & Email** sending them drafts of their work for corrections.

Should you encounter any difficulties in accessing the E-Learning process, send an email to [elarning@ubuea.cm](mailto:elarning@ubuea.cm)

We count on your cooperation and assiduity as we commence this semester.
